

# Clara's 1925 Medallion Dress

Clara's 1925 dress is not a style typically associated with the 1920s. The iconic 20s fashion design was a sheath dress, straight down, worn with a cloche hat. However, children's clothing did not necessarily match the high fashion for women. Girls wore styles that included sheath dresses, but also wore other types, including gathered dresses with waists. Clara's dress has a pointed waistline, many small pin tucks on the bodice, and a scarf loosely tied around the neck. The dress is decorated with some abstract-style medallions. The hat is a cloche with a floppy brim. Clara's shoes are simple slip-ons with a stripe and brooch clip.

Cut on the dotted lines, but do not fold the tabs. These dotted line tabs tuck under the head to hold the hat securely.
