

# Clara's 1950s School Dress

Women's fashion in the 1950s is characterized by soft flowing lines, and very feminine shapes. Skirts took a variety of shapes, from pencil skirts to the iconic "poodle skirt" with everything in between. Clara's dress has a flared circle skirt and a fitted top. She also has some casual slip on shoes with bobby socks. And finally, a classic hairstyle from the 1950s finishes off the fashion page.
