

Clara's 1920s Garden Dress

PAPER DOLLS BY

MELINDA BOWERS

Clara's garden dress is from the late 20s. Made of a drapy chiffon, the dress has many layers of sheer cloth overlaying a silky lining. The petal sleeves add a nice detail to the dress.

Clara's shoes are leather, with low heels and some nice 20s style decoration. The shoes were worn with knee-high stockings.

And finally, a soft felt cloche – or close-fitting hat – finishes off Clara's summery garden outfit.
