

Clara's 1950s Jacket and Dress

It's back to school with a cute everyday fashion for Clara. In the 1950s, fashion designs had bold, clean lines, and simple shapes. Clara's dress has a wide skirt in a style very typical of the dresses in the 50s. A cute jacket adds some flair to the outfit, with its straight lines and rounded collar. Mary-Jane shoes were quite popular, and Clara's are worn with ankle socks. A hairstyle with a pair of cute, bobbed ponytails finishes off the 50s schoolgirl fashion page.
