

Clara's 1950s Sweater and Skirt

It's back to school with another cute fashion for Clara. Clara's skirt has a shape that was very typical of the the 1950s. With wide box pleats and a high waistline, the skirt is very stylish. A thin belt adds a little flair. A soft sweater with 3/4 length sleeves adds some texture to the outfit. Penny loafers and tall socks add to the casual style. And finally, a headband and bobbed hair finish off the 50s outfit.
