

Clara as Glinda of Oz

Glinda of Oz is a kind and helpful magical sorceress who appears in many of the Oz books by L. Frank Baum. Her dress today is based on a John R. Neill illustration from the cover of *Glinda of Oz*. Glinda's dress is a long, flowing dress with petal-shaped trim at the yoke. The wide collar adds dimension to the dress. Glinda's crown headpiece is an intriguing shape, and her hair is pulled up in decorative curved nets.
