

Clara's 1990s Jumper

1990s fashion was a mixture of styles from the 60s, 70s, and 80s. With various elements borrowed from each decade, there is no real cohesive “look” that defines the styles of the 1990s. Clara’s dress is a cute, mid-calf length jumper with a scoop-neck t-shirt. Although the dress is a pretty simple style, it has a flattering silhouette, and would be comfortable to wear.

Wedge shoes were a popular style in the 90s. Clara’s shoes have wedge heels and have some nice flower decoration.
