

Clara's 1954 *White Christmas* Dress

MELINDA BOWERS

Clara's Christmas dress is based on the dress that Betty wears in the finale of the 1954 movie *White Christmas*. This is a gorgeous holiday dress, with some fun elements. The dress is made of satin, with a two-layer skirt. The overskirt is trimmed with fur, just like the elbow-length gloves. Snowflake sequins decorate the dress, adding sparkle to the outfit. A fluffy muff keeps Clara's hands warm. The dress, muff, and hair bow are all decorated with holly and berries.
